APPLICATION INSTRUCTIONS

*When speaking with Butte College personnel, please remember to identify yourself as a College Connection applicant

1. **Apply to Butte College** - up to **January 15**, yet the earlier the better so you get the information you need to complete the College Connection application!
 - Apply to [Butte College](#).
 - If you are already a Butte College student and/or you have received Butte credits for a class you've taken at PHS, **you still need to reapply**, create an account, complete and submit an application (*Applications may take 3 to 5 business days to process*)
 - **USE A PERSONAL EMAIL ADDRESS WHEN FILLING OUT YOUR BUTTE APPLICATION!** When entering your email address, **DO NOT use your pusd12.org address**.
 - Your school email will not accept correspondence from outside emails and, therefore, you will not receive your Butte ID on a time.
 - Complete all sections. As you complete each section of the application the arrow will turn green.
 - The term you are applying for is **"Summer 2021"**
 - This does not mean you will be taking a summer course. By using this date of enrollment, your application will be processed quicker.
 - Your enrollment status will be **"enrolling in high school and college at the same time"**
 - The highest grade you have completed in school is **"11th grade"**
 - Once you have completed your Butte College application you will immediately receive a confirmation email from CCCApply stating your application is complete.
 - **It will give you a CCC ID that includes numbers and letters. THIS IS NOT YOUR BUTTE ID. DO NOT USE THIS ID ON YOUR COLLEGE CONNECTION APPLICATION!**
 - If you applied for the first time you will receive an email from Butte College that contains your Butte College ID# number and login information for your MyBC portal. This email will come in 3 to 5 business days. If you did not receive this email contact the Butte College at 530-895-2511, and identify yourself as a College Connection applicant and ask for your Butte College ID number (**7 digits, all numeric; THIS IS THE ID REQUIRED FOR YOUR COLLEGE CONNECTION APPLICATION!**). Write your BC ID# down for your reference.
 - If you re-applied to the college, you will not receive an email indicating your Butte ID and student email. You probably do not know your Butte College ID# number and student email with the password; so, you will need to contact Butte College at 530- 895-2511, and identify yourself as a College Connection applicant and ask for your Butte College ID number, email, and password.

2. Ask three teachers to recommend you

- When filling out the digital application, it will ask you to provide three teachers' names for recommendations. Meet with your teachers outside of class time to share your interest in CC and ask for their recommendation before you input their names on your application.
- Use the most current teachers possible for the subjects required.
 - Math
 - English
 - Science, Social Science, or Foreign Language
- I will be sending the recommendation form to the teachers listed on your application in digital format.
- These recommendations are a mandatory requirement for the application.

3. Complete and turn in College Connection (CC) application - on or before January 24, 5:00 pm

★ Early applications are WELCOMED; LATE APPLICATIONS NOT ACCEPTED

4. A Parent/guardian statement is also a part of the application process. Parents/guardians will complete this part of the application separate from the student College Connection application by going to the PJSHS webpage and click the link to fill out the Google form. For direct access, click below:

 [Parent/Guardian Statement for CC Application \(required\)](#)

The statement your parent/guardian will provide includes:

- student's readiness for the College Connection Program
- student's qualities, talents, abilities, past experiences, maturity level, initiative, and work ethic

College Connection Advisor will collect the following as part of your application

- Junior year attendance records
- High school academic transcripts
- Discipline records
- Teacher recommendations
- Email to applicants interview day and time by February 1

- Conduct interviews (February 8 - February 11): depending on the circumstances surrounding the pandemic, the interviews will either be conducted in person at PJSHS or via Zoom. TBD
 - Applicants who submit a complete application (student application, parent/guardian statement, and recommendations) will receive an interview. Interviews will be scheduled directly with applicants and conducted via Zoom or at PJSHS if the school is in session face-to-face.

All applicants who submit a complete application and interview will be notified about their College Connection class of 2022 status no later than February 16, 2021. Notification of acceptance will be sent to the email address the student provides on their application.
