

Project Commitment Poster

Using a 7" x 7" poster board (thick poster board), markers, your computer or any other creative materials, design a simple visual representation of your project.

1. Describe what the career or community service focus of your project will be.
2. Start your project description with an active verb that really defines your action with the project.
3. Use illustrations.

Sample commitments:

Career Focus: Social Worker
Write a Manual for Finding Natural Parents
Perry Ents
