

Senior Project

Due:

Reflective Paper Rubric

This paper should be typed using the MLA format, 3-5 pages in length, double spaced and typed.

Start with:

- **My project and why I chose it**
- **What I already knew about my project area**
- **What I expected, or wanted to find out**

Move into:

- **What I learned about my project area through my 15+ hours of work**
- **What problems came up and how I solved them**
- **What I learned about managing my time**
- **How my mentor and others assisted me**

Finish with:

- **Restating my goal (what I expected to be able to do)**
- **Assessing my project**
- **Did I reach my expected goal or not?**
- **Questions I still have**
- **My final thoughts on my project and my process (the steps I took to complete this project)**
- **ANSWER THE STRETCH QUESTION**

--Hints:

Use the above topics for ideas, and write cohesive paragraphs and a cohesive essay.

Do not write your essay as a series of answers to the questions/topics above.
